

Extension of IMS Project Implementation Announcement in a Partnership Model to Operate Landline Services by the FTTH System

ITPC a formation of the Ministry of Communications, is pleased to extend the invitation to specialized companies (Iraqi, Arab, and foreign) interested in participating in the project outlined in these conditions to submit their technical and commercial proposals for the purpose of establishing the IMS+Billing system. This includes supplying and installing the IMS system, providing technical support throughout the contract period, and marketing the service in coordination with ITPC, in a partnership model according to the required specifications and conditions detailed in the (RFP, Technical Specification), which will be provided to bidders for a non-refundable amount of (2,000,000) two million Iraqi dinars. Authorized representatives may review the tender documents at the company's headquarters located at (Baghdad/Abu Nuwas Street/Next to Baghdad Hotel). Bids will be accepted until 12:00 PM on Monday, October 28, 2024.

Eng. Ali Yaseen Dawood
